Morning Drop Off Procedures

Camp begins promptly at 9:00 a.m. daily. Please make sure your camper has arrived at camp and is ready to begin the day by 8:55. Every camper must be dropped off at the carpool circle between 8:45 -9:00. They will be brought to their respected camp group by our well-trained staff.

If you choose to bring your child in to the facility – you must do so before 8:30. Remember this will be considered before care and rates will apply.

Our counselors have been hired to do the best job possible to take care of your children. Their day begins at 8:30 a.m. To adhere to this, they are unable to meet with parents at this time. They need to be watching the campers and are responsible for their morning duties. If you would like to speak with your child's counselor/unit head, please contact the camp office to set up a meeting. We will do our best to accommodate your request in a timely manner.

Note: Campers in the Special Needs program can either be dropped off in the carpool circle or can be walked in by their parents. If your child goes through the carpool circle, please inform the staff member which classroom they are in. Please make sure your child is in camp and ready for the day by 9:00.

To be able to provide the best environment for your child, parent's are being asked not to come into the gym during morning drop-off.
