

General Information

Staff

Each group has minimum of (2) counselors. Camp staff are skilled counselors who are carefully screened, interviewed and trained prior to the beginning of camp. Our team of Unit Heads, Counselors and Specialists are selected for their positive energy, enthusiasm and commitment to caring for your children.

Lunch

Lunches with an ice pack should be sent with your camp each day. Lunches can be placed in the lunch bag provided by Camp Shalom or of your campers choice, but must be labeled with your camper's name. You can choose to purchase lunch for your child on Wednesdays, Thursdays and Fridays. Please see Camp Lunch form for the order form.

Water Play

All campers will have time to cool off during our Water Play periods. Water Play activities include inflatable water slides, water shooters, slip-n-slides, water balloons, and shaving cream fun. On the days that your camper has water play please send your child to camp wearing their swim suit. This allows for more time for Camp Shalom fun and less time changing. Please send your child to camp wearing sunscreen and we will reapply before and after Water Play (if necessary)

Tipping Policy

The Camp Shalom tipping policy is that tipping is personal and is an individual choice. If you choose to tip, please send a clearly labeled and sealed envelope with your camper during your child's last week of camp. The Camp Office is happy to provide you with the names of your Child's counselors.

Sick Camper

If your child has a cold, sore throat, fever, stomach virus and/or any other illness, please do not send your camper to camp for 24 hours. We do have a nurse on site in the event that your child needs medical attention during the camp day.
