

Camp Shalom is a Nut Free Zone

Safety is Camp Shalom's top priority! In order to keep all campers safe, **Camp Shalom is a Nut Free Zone**. Please do not send nut products of any kind to camp for lunch with your child. This includes peanut butter, almond butter, nutella, (and may include protein/granola bars).

We realize this may be a challenge at first, but thank you so much for helping to keep all campers safe at Camp Shalom. Please pack a lunch that best suits your child's needs without nut products.

If you have any questions regarding the **Nut Free Zone** please contact Rachel Fox at 561-712-5279 or rachelf@jcconline.com.
